SPECTRUM
ADVANCED LEARNING

SPECTRUM PLACEMENTS

Real organisations. Real work. Four times a year.

Placement programmes for students aged 10 to 18, inside companies, audit and professional firms, media houses, NGOs, public bodies and technology teams.

- **Academy week, placement, final pitch**
- **Trained mentors and full safeguarding**
- **Evidence for CAS, portfolios and university applications**

Four cohorts every year (tentative months)

Spring cohort
March–April
Six-week Junior Executive Programme, AI and Cyber Security placements, timed around the school calendar.

Flagship summer cohort
June–July
Our largest intake: Junior Executive Programme (Community Immersion and Industry), AI and Cyber Security, with the full Academy week and Boardroom pitches.

Late summer cohort
August–September
A second summer intake for students who travel in June and July.

Autumn cohort
October–November
An autumn intake, plus the October start for six-month Career Pathways.

Sectors

National and multinational companies · Audit, accounting and professional services firms · Media houses and communications · Community and public organisations · Technology and security teams · Professional mentors · Schools and education partners

Safe by design

- One Spectrum supervisor for every eight students
- Mentors briefed on safeguarding, never alone with students
- Risk assessments and signed host agreements
- Parent consent before every programme
