SPECTRUM
ADVANCED LEARNING

SPECIAL EDUCATIONAL NEEDS AND INCLUSION

Every child can make progress from where they are.

Two year-long streams for children who find learning harder: Growing with Numbers (mathematics) and Think, Read and Reason (language, comprehension and reasoning).

- **Specially trained teachers**
- **An individual education plan for every child**
- **Groups of two to four, or one-to-one**

+92 324 4449039 · info@spectrum-learning.com · spectrum-learning.com

Spectrum Advanced Learning is independent and is not endorsed by or affiliated with the International Baccalaureate (IB). All Spectrum materials are original.

Who we help

Reading and writing difficulties
Including dyslexia.

Difficulties with number
Including dyscalculia.

Attention and focus
Including attention deficit hyperactivity disorder.

Autism, communication and social learning
Structure, clear language and visual support.

Speech and language needs
Understanding instructions and expressing ideas.

Slower progress and gaps
With or without a diagnosis.

Two streams, sixteen levels each

Growing with Numbers
From early number sense to pre-Diploma mathematics. Concrete, then pictorial, then abstract, with mastery checks before each new level.

Think, Read and Reason
Oral language and phonics, then comprehension and reasoning tools, then academic critical literacy, with sentence frames and visual word banks.

How we work with your family

- A free diagnostic to find the right level
- An individual education plan agreed with you each term
- Termly meetings and written reports
- A ten-minute home-practice pack
