SPECTRUM
ADVANCED LEARNING

WE ARE HIRING · LAHORE

FULL-TIME · DHA PHASE 4, LAHORE

Subject Teachers

English, Mathematics, Sciences, Humanities, Languages, Computer Science and AI

Spectrum is looking for subject teachers who love explaining things clearly and want to teach small groups properly. You will teach from our original packs, slides and online workbooks, so your time goes into teaching and feedback rather than building resources from scratch.

What you will do

- Plan and teach lessons using the Spectrum lesson structure: retrieve, model, guided practice, independent practice and review
- Use diagnostic results to set each student's targets
- Mark online workbooks and give clear written and spoken feedback to students and parents
- Contribute to mock exams, showcases and student portfolios
- Adapt teaching for students with special educational needs and for students learning English as an additional language, with support from our specialist

What you need

- At least 2 years of classroom teaching at the relevant level
- A bachelor's degree in the subject or in education and a teaching qualification such as a B.Ed or PGCE
- Experience of the IB, IGCSE or another international curriculum is preferred
- A warm, organised and reliable approach to students and families

What we offer

Competitive salary, paid on time · **Full paid training through the Spectrum Educator Certification** · **Small groups of four to eight students** · **Ready-made original materials, slides and online workbooks** · **Termly coaching and professional development** · **A clear path from Associate to Master Educator**
