SPECTRUM
ADVANCED LEARNING

Mastery pathway · Ages 4–7

Early Foundations

A joyful, confident start to reading, number and thinking.

About the programme

Early Foundations gives young children a strong, happy start. Short, active sessions build phonics and vocabulary, number sense and early maths logic, listening and speaking, and the fine-motor control that early writing needs. A gentle diagnostic shows where each child is, and parents receive simple notes on how to help at home.

Highlights

- **Phonics and vocabulary.** Systematic phonics, letter formation and a love of stories.
- **Number sense.** Counting, comparing, shapes and early problem solving with hands-on materials.
- **Speaking with confidence.** Show-and-tell, retelling and simple presentations.
- **Ready for Grade 1.** A smooth path into Spectrum Maths and English Mastery Level 1.

AGES
4–7

SESSION LENGTH
45–60 minutes

FORMAT
Small groups

START POINT
Free diagnostic and consultation

MATERIALS INCLUDED
8 original packs, 6 slide decks, online workbooks
