Spectrum English Mastery

Read closely. Write clearly. Speak with confidence.

About the programme

Strong English rests on a ladder of skills: decoding, fluency, vocabulary, comprehension, grammar, and finally analysis and writing for purpose. English Mastery finds where each student is on that ladder and moves them up it steadily.

Highlights

- **Every strand of English.** Phonics, fluency, vocabulary, reading comprehension, grammar and mechanics, writing, literature, research, and speaking and listening.
- **Diagnostics for four stages.** Lower elementary to secondary, with a skill-gap analysis for every student.
- **Original texts and tasks.** Fiction, non-fiction and poetry written for the programme, with model answers at several levels.
- **Exam technique when it matters.** Upper levels prepare students for IGCSE, MYP and Diploma-style analysis and essays.
