Teacher Academy: 3-Week Certificate

Three weeks to become the colleague others ask for advice.

About the programme

The Certificate goes deeper. Participants study assessment design, differentiation, mentoring students on placements, and teaching AI and future skills, then plan, teach and evaluate a sequence of lessons with feedback from a Spectrum coach.

Highlights

- **Week 1: foundations.** Diagnostic teaching, assessment design and differentiation.
- **Week 2: future skills.** AI, cyber safety, digital skills and project-based learning.
- **Week 3: practice.** Observed teaching, coaching and a classroom project.
- **Assessed certificate.** A portfolio and project assessed by Spectrum.
