Teacher Academy: Teaching Students with Special Educational Needs

Practical skills to include and teach every learner well.

About the programme

A two-week course for teachers and teaching assistants: understanding special educational needs, adapting lessons, individual education plans, behaviour and wellbeing, and working with families, at the centre or online.

Highlights

- **Understanding needs.** Dyslexia and reading difficulties, attention difficulties, autism, speech and language needs, and coordination difficulties.
- **Adapting teaching.** Clear instructions, scaffolds, multi-sensory teaching and accessible materials.
- **Individual education plans.** Setting small, measurable targets and reviewing them with families.
- **Behaviour and wellbeing.** Calm classrooms, regulation strategies and anxiety.
- **Working together.** Parents, specialists, teaching assistants and confidentiality.
